

THE OBAMA BUDGET: A BLUEPRINT TO REBUILD AND RENEW NEW HAMPSHIRE BY THE NUMBERS

<u>53</u>	Companies in New Hampshire poised to create jobs in clean energy industries if a cap is instituted on carbon emissions.
<u>\$160 million taxpayer dollars</u>	What New Hampshire is now spending to subsidize multi-billion dollar oil and gas companies . The Obama budget ends these wasteful subsidies.
Between <u>\$216 million and \$1.3 billion</u>	Could flow into New Hampshire coffers if emissions permits were capped and auctioned.
<u>30</u>	Number of New Hampshire citizens who are losing their health insurance every day who could be covered if President Obama's request to put aside money in the budget for health care reform is granted.
<u>100</u>	New Hampshire citizens are becoming unemployed every day because of the troubled economy left behind by the Bush Administration.
<u>520,000</u>	New Hampshire citizens would see their taxes lowered permanently if Obama's Make Work Pay Tax credit was made permanent.
<u>\$25,211</u>	Average debt load for New Hampshire college students , which would be lowered substantially by President Obama's proposal to reform and expand Pell Grants and simplify federal student loan programs.
<u>\$444</u>	What the typical New Hampshire family will save if the tax proposals in President Obama's fiscal year 2010 budget are enacted.
<u>1.3%</u>	Percentage of the New Hampshire citizens who owed estate tax in 2007. President Obama has proposed to keep the estate tax from expiring in 2010
